

# FREDDIE PATE

## Sings The Legends Of Country

A tribute show filled with the greatest country music of all time. Hank, George, Keith, Ray, Ernest, Merle and much more. The thing about this unique tribute performance is that if you close your eyes you would think you're listening to these legends in concert. Freddie is blessed with vocal ability to pull this off making it a night to remember! So if you're looking for a great night of memories and music this the show!
